NOTE FOR THE DDCI

- ° It appears that the SSCI and HPSCI will take seriously their oversight role re E0 12333 implementation.
- ° We need to consider what we must/are willing to share with them as to our internal IG/OGC oversight process -- and in what format or forum.
- ° I've asked Jim and Ernie (for Stan) to address that starting point, after which one or more of us (the DCI, you and/or I) should set up a reasonable process with the Committee Chairmen.
- ° We do not want a lot of detailed paper flow and continuing item-by-item discussion between staffs (ours or theirs).

MEMORANDUM FOR: Director of Central Intelligence

THROUGH: Deputy Director of Central Intelligence  
Executive Director

FROM: Stanley Sporkin  
General Counsel

SUBJECT: Congressional Reaction to [REDACTED]

25X1

1. Attached for your information is a memorandum reflecting Congressional reaction to CIA's newly approved [REDACTED] procedures under Executive Order 12333. As indicated in the memorandum, the committees raised several questions, but on balance, did not appear to have significant problems with the procedures. Although we anticipate further correspondence with the committees on the procedures, I do not foresee any problems that cannot be resolved.

2. If you have any questions regarding any of the issues raised, I would be happy to provide further information.
